

## Meet and Join Your Neighbors For Fun While Improving Our Unique Neighborhood

One only needs to stroll down Broadway to the corner of Wildwood to see the physical presence of the Association in the form of the Wildemere Beach Community Park. But that is only one aspect of what your neighborhood association is about. The Association has been working with city agencies for years to address issues such as neighborhood improvements, safety, zoning and beach preservation. In short, the things that contribute to our quality of life at the beach.

Additionally, a neighborhood wouldn't be a neighborhood without knowing your neighbors. Come meet yours, whether at an Association social event such as the Annual Summer Picnic, our few evening meetings throughout the year or a community volunteer work party. You'll find that good work can lead to good times and fun.

Membership is open to any person who owns and occupies their home in the neighborhood. Annual family dues are a modest \$25.00.

Would you like to learn more before you join? There are two easy ways. Simply place a check mark on the membership form below and a neighbor will contact you or visit our web pages at [www.villageofdevon.com](http://www.villageofdevon.com) and click on the organizations link.

Whether new to the neighborhood or the neighborhood association is new to you, please consider becoming a member of the Wildemere Beach Association.
